## 2014 美国大学走读生比例排名

《美国新闻与世界报道》(U.S. News & World Report)于 2013 年 9 月 10 号发布了 2014 年度美国大学排行榜,中广国际教育第一时间整理分享 给申请 2014 美国大学的学生和家长们参考。

Sharing a shoebox-sized dorm room with a relative stranger is not part of the college experience for all students. At a few of the universities on this list, commuting is the only option, as some urban schools and several rural schools don't offer on-campus housing. Students at many of the other schools listed below may opt to live at home and avoid costly room and board fees or share off-campus housing for a little more space and independence. These colleges reported the highest percentage of their students who were commuters for the 2012-2013 academic year.
