《美国新闻与世界报道》(U.S. News & World Report)于 2013 年 9 月 10 号发布了 2014 年度美国大学排行榜，中广国际教育第一时间整理分享给申请 2014 美国大学的学生和家长们参考。

International students can add diversity to a college or university, enriching the experience of other students on campus. Schools with a strong global presence often have a wealth of cultural groups and events, allowing international students an opportunity to share their food, music and traditions with their U.S. peers. International students attending one of the schools listed below may also benefit from a large foreign community when trying to acclimate to American life. These colleges reported the highest percentage of their students who were international in the 2012-2013 academic year.
