**2014 美国大学最高录取率 Top100**

《美国新闻与世界报道》(U.S. News & World Report)于 2013 年 9 月 10 号发布了 2014 年度美国大学排行榜，中广国际教育第一时间整理分享给申请 2014 美国大学的学生和家长们参考。

Waiting for acceptance letters to arrive can be a stressful time for prospective college students. Whether applicants see "Congratulations!" instead of "We regret to inform you," can depend on the schools to which they applied. While some colleges and universities pride themselves on selectivity, others welcome most, if not all, of their college applicants. The 100 schools on this list had the highest acceptance rates for the fall 2012 entering class among all schools surveyed by U.S. News, regardless of ranking category.
