AT THE HEART OF THE HIGHER EDUCATION DEBATE

THE 2012-13 World University Rankings

THE 2012-2013 世界大学排名

The Times Higher Education World University Rankings 2012-2013 powered by Thomson Reuters are the only global university performance tables to judge world class universities across all of their core missions - teaching, research, knowledge transfer and international outlook. The top universities rankings employ 13 carefully calibrated performance indicators to provide the most comprehensive and balanced comparisons available, which are trusted by students, academics, university leaders, industry and governments.
